The Transnational Giving Europe

The TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.

Transnational Giving Europe is looking for a new partner in Austria. For more information or to register your interest, please contact info@transnationalgiving.eu
