

SUPPORT THE PARIS BRAIN INSTITUTE FROM IRELAND

Transnational Giving Europe

TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies – who are fiscally resident in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

Due to recent legal and fiscal changes, it is not currently possible to make a donation from Ireland to Paris Brain Institute that is eligible for tax benefits under Irish law.

If you are an Irish resident wishing to support Paris Brain Institute, please contact:
