

SUPPORT THE PARIS BRAIN INSTITUTE FROM SLOVENIA

Transnational Giving Europe

TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu). Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.

If you are a Slovenian resident wishing to support Paris Brain Institute, Transnational Giving Europe and our Slovenian partner foundation – Sklad 05 (Fund 05): Foundation for Social and Impact Investment – can help you to do so.
