

SUPPORT PARIS BRAIN INSTITUTE FROM SPAIN

Transnational Giving Europe

TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies – who are fiscally resident in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

By making a donation to Paris Brain Institute via TGE, donors who are residents of Spain can benefit from tax advantages provided by Spanish law. In Spain, our partner foundation is Fundación Empresa y Sociedad.
